How to Buy A Yearbook Senior Ad Online

Go to
www.yearbookforever.com
for step by step ordering
instructions!

1

Select Photos

Check our policies to see what we can or cannot print. We request a current/senior photo. You must have copyright agreement from the photographer for all professional photographs. We can use as many photos as you want, but the more you have, the smaller they are. We suggest 3 for an eighth page, 4 for a quarter, 8-10 for a half, 10-15 for a full page.

2

Image Quality

Digital images from cameras and photos can be submitted. Older model cell phone photos may not be suitable for printing. We prefer photos to be uploaded online at time of order, but original photos may be delivered to the school within 7 days of online order.

3

Write Your Message

Type your message in a word processing software and check for errors. We'll run ex-actly what you submit at online order. Keep the words to a minimum to allow room for more photos. Due to copyright restrictions we cannot publish song lyrics or poetry. Bible verses are acceptable.

4

Chose An Ad Size

We can fit as many photos as you want in any size of ad, however the more you cram, the smaller the photos will be.

5

Submit All Materials

Once you have your photos, your written message and a debit/credit card for payment, go to www.yearbookforever.com and search for Mansfield Lake Ridge High School. Fill out the form and submit materials and payment.

6

Your Proof
